TESTIMONIALS

"My recent investment in a Hako floor scrubber from TBC has been one of my best moves. The time and energy saved in cleaning the floor, both rubber and carpet running track, is amazing and looks professionally done. It will pay for itself in no time! TBC, are a preferred supplier of F45 HQ and I couldn't recommend them more strongly!"

"We have been in the childcare industry for over 15 years and have tried many different suppliers to find the best cleaning solution for our centre. TBC Distribution is professional, cost-effective, reliable and very service orientated."

Sarah Carden,
Owner/Director,
Pioneer Road Long Day Care

"The motor on our chemical pump on our main dishwasher had failed. Aaron determined that a replacement was needed but TBC was closed during this period. The next day at 6:00am I received a text from Aaron asking if someone could get him in to the Club around 8:00am as he was half way back from Newcastle, as he felt he could repair the dishwasher pump. Obviously getting access was simple, but the fact that we didn't request this service really hit me (as we needed it). For Aaron to provide this really took me back."

Anthony Craig,
Executive Chef,
Eastlake Football Group ACT
