# PRODUCT CATALOGUE

# OUR STORY

TBC Distribution specialises in cleaning and hygiene solutions for the healthcare, hospitality, education, government, industrial and commercial sectors. It supplies a full range of chemicals, hand and body care, toilet paper and paper towels, garbage bags and bins, janitorial supplies, vacuum cleaners and safety gear. It also offers an extensive range of glassware and kitchenware.

Originally a branch of True Blue Chemicals, a market leading chemical manufacturer, Managing Director Shane Leigh purchased the business in November 2011 to become an independent distributor. Today, through service, quality and innovation, TBC Distribution assists clients to add value to their business via cost savings, reduced down time and safety compliance.

TBC Distribution has over 19 vehicles and provides on the road servicing in the Sydney, Illawarra, South Coast, Southern Highlands, Canberra, surrounding regions of Queensland and our newly acquired North Queensland site opened on the 1st of October 2024.

## OUR VALUES

### TRUST

We offer a reliable service and deliver on our promises.

### BEST PRACTICE

We implement solutions that are safe, compliant and outperform expectations.

### COMMITMENT

We are dedicated to providing outstanding customer service.

The Collective Australasia (TCA) is a new collective of Australia's strongest independent cleaning, packaging and hygiene distributors. Working together with national reach, TCA provides supply partners and end users with a unique opportunity to work with an elite group of companies, providing end to end product solutions, backed up by genuine local service and support.

# Compliance Support — How do we do this?

## SDS REGISTERS

Safework Australia states that “Businesses must keep copies of SDS for chemicals they use and they must be readily accessible for all workers involved in using, handling or storing the chemical at the workplace, emergency service workers, and anyone else who may be exposed to the chemical.”

## CHEMICAL REGISTER

Safework Australia states that “The hazardous chemicals register must be readily accessible to all workers involved in the use, storage and handling of the hazardous chemicals at the workplace.” We also create custom made Chemical Registers for your business to help you fulfil this compliance need.

## DISPENSING EQUIPMENT

Controls dosage, remove the danger of inappropriate dispensing or excessive handling of chemicals for Staff, reduces risk of a chemical accident, eliminates the need to decant chemicals and assists Work Health and Safety Compliance.

## IN USE BOTTLES

Any substance decanted from the original container **MUST BE CLEARLY LABELLED** with instructions for use and reference to any hazardous substances. Our in use bottle ensure that products are labelled with chemical resistant labels that clearly outline safety information and product information. Clearly labelled products helps ensure chemicals are used correctly and safely.

## INTERACTIVE TRAINING MODULES

Training will help assist staff to become competent and informed about the chemicals they are using. Training increases safety, improves compliance and lowers the risks of accidents.

## ON-SITE TRAINING AND AUDITING

During service calls we will conduct on-site training to support compliance with WHS Policies, improve cleaning procedures and results and reduce claims from mishandling and chemical related accidents. Our highly trained staff can audit your site to reinforce chemicals are being used safely and correctly.

## WALLCHARTS AND POSTERS

Made to suit your site with customized wall charts, SDS folders, dishwashing procedure charts, safety guidelines for workplace chemicals and many more!

## Do more with less

- Our highly concentrated formulas are designed to offer exceptional performance at ultra-high dilution rates resulting in the most cost-effective products on the market.
- Our products allow customers to "Do more with less", saving you money and the environment with less handling, less freight, less plastic = significantly improved carbon footprint.

## QR Code Product Training Videos

Our industry leading training and education covers a range of broad offerings allowing many to be integrated within your own internal onboarding systems.

- Dedicated Training Website.
- Product Training Videos.
- QR codes on labels (directing to product videos).

## Online Training

- Dedicated Training Website.
- Hazardous Chemical Training Modules x 4 with completion certificate available.
- Ability to integrate within your own internal staff onboarding system.
- Able to log in anytime to complete training/refresher training.

## Safelock “closed loop” technology

Our Safelock range offers:

- Improved user safety during bottle changeover.
- Eliminate tip and pour.
- Controlled usage resulting in cost savings.
- Prevent spillage.

## Wi-fi enabled Dispensing Technology

- State-of-the-art equipment with Wi-Fi capability.
- Local and remote device management and trouble shooting.
- Real time data such as rack count & pump status.

## Real time Service Reporting

- Comprehensive real time service reporting.
- Customer sign offs for visibility, traceability & confirmation of work completed.
- Reporting covers all areas of the business where chemicals are used ie. kitchen/housekeeping & laundry.

# CHEMICALS

## NANOCYN

# WareDose 35

Revolutionising warewash dosing

In heavy-duty commercial dishwashing and glasswashing applications operating for over 50 hours per week, choose the dual-pump WareDose 35 chemical dosing system for an intuitive, accurate and reliable solution.

WareDose 35 features built-in Wi-Fi capability for connection to the SekoWeb online platform and smartphone app, allowing managers to view live and historical wash statistics and chemical consumption data 24/7 from any location for a new standard of operational efficiency.

- Precise, consistent dosing of detergent and rinse aid
- Unrivalled remote management courtesy of SekoWeb compatibility
- Quick and easy to install
- Low maintenance requirement
- IP65 ingress protection

**Applications:**

# Down to earth solutions.

The Recognised® - Environmental Credentials Scheme is a voluntary accreditation to identify environmentally preferable commercial cleaning products, developed by Accord Australasia.

Recognised® products have undergone independent third-party scientific assessment against a rigorous multiple-criteria Standard. Recognised® was reviewed by an independent panel of expert toxicologists as a “sound and robust...science-based, targeted and pragmatic set of criteria”, coupled with a “sound and transparent” third-party scientific accreditation process.

# FOOD SERVICES

## BEERLINE CLEANER

### BRACTON SAFE BEERLINE CLEANER

## FEMININE HYGIENE

### THE TERRACYCLIC RANGE

*The Revolutionary Bio-Degradable Sanitary Disposal System*

The TerraCyclic Bio Bin is the only environmentally friendly sanitary waste disposal system as all components are biodegradable, non-toxic and deodorising.

#### SIMPLE

- Wall mounted or free standing cylindrical unit
- Ideal for tight spaces
- Self-deodorising cartridges are quick and easy to replace
- Requires minimal storage space

#### GREEN

- Disposable cap
- Modesty flap and liner
- Non-toxic and degradable
- Innovative design
- Awarded Carbon Footprint Accreditation

#### SAFE

- Cartridges contains all waste products making it contact-free
- Maintenance is easily monitored
- Easy and no-mess refills

#### TERRACYCLIC BIO-BIN

- 13L | WHITE ESTBR-20
- 13L | BLACK ESTBR-20-BLK
- 26L | WHITE ESTBL-10

#### TERRACYCLIC BIO-BIN CARTRIDGES

- 13L | WHITE ESTCR-100
- 13L | BLACK ESTCR-100-BLK
- 26L | WHITE ESTCL-50

- Refilling the TerraCyclic Bio Bin is as simple as 1,2,3
1. Insert a new cartridge into Cylinder Base.
  2. Remove the cartridge when full.
  3. Place the cartridge in any general rubbish receptacle.

## COST IN USE ADVANTAGE

The majority of cleaning chemicals can be used neat or diluted in water. The high concentration means they remain just as effective and last longer. Dilution rates vary and are indicated on the individual products or specification sheet.

## TCA ECO CUBES

### TOGETHER, LETS MAKE MEN'S WASHROOMS GREAT AGAIN!!

- Standard Urinal Screens are wasteful SINGLE USE PLASTICS – don't contribute to the millions of them that end up in landfill each year and NEVER breakdown.
- TCA Eco Cubes are made using Bacteria, Enzymes and Odor Neutralisers that break down and release slowly, helping keep your men's toilets and urinals smelling fresh AND keeping your drains unblocked and flowing normally.
- Look after our environment, your drains and make your Men's washrooms smell great again!!

- ✓ Proudly Australian made and owned.
- ✓ Readily Biodegradable - independently tested.
- ✓ User friendly - no poisons or corrosives.
- ✓ Septic safe.
- ✓ Water saving, minimal water needed to run over blocks.
- ✓ Cleans Drains and Neutralises Odors.

Available now from TBC in 4KG buckets

Order using product code TCA0051490

Each PH Value below 7 is 10 times more acidic than the higher. (Battery Acid is 10,000,000 more acidic than pure water) – Same for Alkaline.

"Power of Hydrogen" measured in a Water Solution

## HEAVY DUTY CLEANER & DEGREASER

### CAN'T FIND THE PRODUCT YOU WANT?

TBC Distribution has access to a full range of products through its preferred supplier network. Contact us to discuss your needs.

#### SAPPER

HEAVY DUTY DEGREASER

- Grease, tar and sap remover
- Formulated using natural orange oil and sugar cane derived alcohol
- Penetrates, solubilises and cleans the heaviest of industrial soils
- Exhibits a quick break profile

200L SAPPER200 (BS 10063505)

#### CELLARCLEAN

- Quick break degreaser
- Instantaneous grease and oil emulsification
- Solvent system penetrates and solubilises heavy petroleum based deposits
- Rinsing action temporarily combines the deposits with the water phase and washes them from the affected surface

1000L CELLCLN1000 (BS 10063496)

#### ELECTRA

- Alternative to chlorinated hydrocarbons
- Non flammable solvent evaporates, leaving the area dry
- Can be used to clean electric motors, equipment, components, power generators, contact points and bearings

200L ELECT200 (BS 10098688)

#### MINE CLEAN PLUS

HEAVY DUTY DEGREASER

- Fast acting and fast breaking emulsifiers and solvents
- Remove petroleum based grease, animal fats, road grimes, waster based paint, rubber and tyre marks

15L MINE15

#### SUPPRESS CP20

DUST SUPPRESSION LIQUID

- Copolymer and surfactant based
- Binds material together to reduce dust in the air
- Forms a polymer "crust" to hold material down
- Perfect for use through a water truck
- Ideal for mines, roads, and graded tracks

15L SUPPRESS15LT 1000L SUPPRESS2112

### SS-25 NC

- Non-chlorinated safety solvent
- Use for electric motors and metallic surfaces
- Clears ventilation passages
- Cleans oily windings and insulation

10L MAN001910  
25L MAN001925 (BS 10122356)

### CHEM CLEAR

- Quick break, non-aromatic solvent degreaser
- Cuts through all types of heavy grease and oil
- Safe to use on glass, wood, ceramics and concrete

25L MAN005725 (BS 10063544)  
205L MAN0057205 (BS 10063542)

### BREX

- Penetrates deeper
- Dissolves mineral scale, rust, hard lime-deposits safely and faster
- No harm to equipment or surfaces
- Harmless to most paints and finishes

25L MAN002825

### GRRR

- Non-silicated cleaner
- Used on glass, paint, rubber, anodised aluminum and polished surfaces
- Penetrates grime and strips away all soot, grease, oils road film and dirt
- Please note, product will separate when stored

20L MAN12090577

### WHIP-IT WIPES

- Industrial multipurpose wipes
- Portable, waterless a hand cleaning system
- Used to clean and degrease tools, equipment and work surfaces - even after wiping hands

72s | CTN6 MAN4118 (BS 10122359)

### SHINY SIDE

- Non-acidic aluminum cleaner
- Cleans and brightens air conditioning coils
- Drives out embedding grimes and oxides from aluminum fins
- Highly concentrated and fast working formula - no scrubbing required

25L MAN0505

## MADE TO ORDER PRODUCTS

- ✓ Manufactured on request only
- ✓ Minimum order of 800L
- ✓ Lead time of 3-4 weeks

# INDUSTRIAL

## AEROSOLS & SPRAYS

### TEL-X PLUS (TLR 44)

- Aerosol PTFE based dry release agent
- Provides a transparent coating to minimise friction and lubricate surfaces
- Can be used on ferrous and non-ferrous metals, plastics and wood

285g | CTN12 MAN5436 (BS 10080197)

### PREMALUBE RED AEROSOL

- Multi-purpose, heavy load, extreme pressure and high temperature grease
- Specifically formulated for industrial equipment

317g | CTN12 MAN5359 (BS 10073277)

### THREAD-EZE ULTRA (BREAK AWAY PLUS)

- Anti-seize lubricant
- Heavy duty, high temperature and pressure resistant
- Withstands sustained temperatures up to 1204°C to 1260°C

454g | CTN6 MAN5913 (BS 10041519)

### STAY PUT (UL 566)

- Stainless-steel coating
- Designed for most demanding service to protect against rust and corrosion due to weather, water, salt and many chemicals

454g | CTN12 MAN5055 (BS 10201609)

BEST SELLER

### YIELD (PENTRON)

- Gold standard penetrant
- Penetrating release agent to loosen rust and corrosion instantly
- Contains special inhibitors that prevent further rust and corrosion and prolong the life of parts

400g | CTN12 MAN5068 (BS 10083072)

### NATURALISER (FRESH FORCE)

- Heavy duty degreaser
- Orange oil based degreaser
- Removes tar and grease easily

354g | CTN12 MAN5049 (BS 10178761)

### ACCEL (PS 70 EXTRA)

- Lubricant and release agent
- Cleans, lubricants and protects preventing sticking, squeaking and binding on virtually any surface

400g | CTN12 MAN5054 (BS 10080168)

## NEED MORE INFORMATION ON A PRODUCT?

10L MAN1001910  
25L MAN1001925 (BS 10122206)

## AEROSOLS & SPRAYS

### LOK CEASE 20/20

BEST SELLER

- High temperature anti-seize lubricant
- Restores threads without special equipment
- Withstands sustained temperatures up to 1204°C to 1260°C

397g | CTN12 MAN5064 (BS 10041518)

### LEXITE NF (DJC 201NF)

- Non-flammable cleaner and degreaser that cleans electrical equipment without fear of fire or shorting
- Quickly removes and flushes away grease, oil and soils without disassembly

452g | CTN12 MAN5697 (BS 10058246)

### ELECTRA COAT (THREAD EZE AEROSOL)

- Tough, protective rubberised coating that seals out water, even when submerged
- Will not wash off nor freeze or crack in the cold

312g | CTN12 MAN5687 (BS 10178757)

### LUBREASE CLEAR (CC 93 CLEAR)

- Clear penetrating chain and cable lubricant that creates a durable, protective film to resist sling-off and squeeze-off
- Can be simply poured, brushed or sprayed directly onto chain and wire rope

368g | CTN12 MAN5363 (BS 10080140)

### DRI-LUBE PLUS (DRI GUARD PLUS)

- Dry moly lubricants
- Adheres and lubricants in high pressure, high-temperature and high-load conditions

300g | CTN12 MAN5438 (BS 10080176)

### KOOL SPRAY (MET COOL/NOTCH)

- Specialty chemical cutting fluid in a ready-to-use aerosol for convenient application
- Forms a protective barrier that resists rust and corrosion and prevents chemical wear

368g | CTN12 MAN9035 (BS 10178765)

### EXADERM (HANDSCREEN)

- Convenient aerosol pack that shields against mild acids and alkali, inks, tars, resins, grease, epoxies, salts and solvents

400g | CTN12 MAN5016 (BS 10062617)

### NC-123 PLUS (ELECTRA SEAL PRIME)

- De-moisturising, anti-corrosion compound for electrical equipment
- Displaces water with a continuous film and seals against future water problem
- Can be applied to wet or dry surfaces

300g | CTN12 MAN5050 (BS 10080972)

### HYZINC (ZINC 95)

- Concentrated cold galvanising coating
- Contains 92% zinc
- Used for maximum resistance against weather and corrosion due to water and salt spray to prolong metal life

400g | CTN12 MAN5028 (BS 10091703)

## LUBRICANTS, OILS & GREASES

### PREMALUBE BLACK #2

- Multi-purpose, heavy load, extreme pressure, high temperature, heavy duty grease
- Specifically formulated for industrial equipment

450g | CTN10 MAN4464 (BS 10073354)  
 20kg MAN4481 (BS 10073358)  
 181kg MAN4464181 (BS 10073356)

### CERTOP INDUSTRIAL GEAR OIL

- ISO Grades - 150, 220, 320, 460 and 680
- Advance performance single grade gear oil
- High performance additive package

20L | ISO 220 MAN1115  
 20L | ISO 320 MAN1116-1  
 20L | ISO 460 MAN1117

205L | ISO 320 MAN1116205  
 205L | ISO 460 MAN1117205

### PREMALUBE XTREME GREEN #2

BEST SELLER

- Patented, multi-purpose, heavy load, extreme pressure, calcium sultanate grease
- Excellent high speed bearing performance
- Available with Moly in black colour formula

450g | CTN10 MAN4565 (BS 10073414)  
 20kg MAN443420 (BS 10073416)  
 181kg MAN4434

### CERTOP 85W-140

- Advanced performance multi-grade gear oil
- Eliminates dry start wear, prevents and seals from leaking, and prevents rust and corrosion
- Wide temperature range up to 149°C, flows down to -12°C

205L MAN0220205 (BS 10082935)  
 20L MAN022020/MAN0210 (BS 10082937)

### PREMALUBE XTREME HEATSHIELD #1

- Extreme temperature grease
- Performance up to 1000°C intermittent with monitored lubrication intervals
- Extends lubrication intervals by up to ten times

450g | CTN20 MAN4567  
 20kg MAN323J20 (BS 10122358)  
 181kg MAN323J200

### SYSTEM PURGE

- Advanced technology flushing oil
- For the cleaning of systems with varnish and sludge
- Used on engines, hydraulic systems, gear boxes, compressors, generators, and transmissions

950ml | CTN12 MAN4420 (BS 10082925)  
 10L | CTN2 MAN4421 (BS 10082927)

### PREMALUBE RED #2

- Multi-purpose, heavy load, extreme pressure, heavy duty grease
- Specifically formulated for industrial equipment
- Stays in place to prevent wear under heavy-load conditions

450g | CTN20 MAN4566 20kg MAN4432

### INNERLUBE

- Friction reducing chain and cable lubricant
- Penetrates, lubricates and protects to increase chain and cable life

25L | BLACK MAN028925  
 25L | CLEAR MAN093025 (BS 10080164)

### BEARING PURGE

- Extends bearing life and improve grease performance
- Non-abrasive formula
- Safely removes varnish, lacquer and other baked-on deposits
- Works while equipment is operating

CTN6 MAN12091950

### HOC XTREME (MINERAL HYDRAULIC OIL)

- Severe duty and extended drain intervals providing superior protection
- Highly refined oil resists oxidation and high temperature breakdown to maintain better lubricity
- Operates up to 105°C

20L ISO 32 MAN11018123 ISO 32 MAN12076083  
 ISO 46 MAN12076085 ISO 46 MAN12076086  
 ISO 68 MAN12076089 ISO 68 MAN12076090

# INDUSTRIAL

## REPAIR

### TWM50 NON-WOVEN MULTI-PURPOSE ALL INDUSTRY WIPES

- Low linting ultra soft non woven wipe
- Highly absorbent
- Hygienic and disposable
- Heavy duty industrial strength and reusable.
- Ideal for wet or dry use with or without chemicals.

CTN12 TWM50

### ALL INDUSTRY WIPES

BEST SELLER

Our ALL industry multi-purpose wipes are low linting, soft on skin, leave no residue and are very user-friendly. They are extremely strong and absorbent, wiping surfaces clean instead of smearing like traditional cloths & rags. Ideal for ALL heavy duty cleaning tasks such as cleanup of oil, grime, dirt, fats, food wastes

### DYNA STRETCH & SEAL TAPE

- Self-fusing tape for sealing where high and low temperature stability is needed
- For sealing under pressure up to 11 bar

25mmx2m | CTN6 MAN4026 (BS 10201787)

### SALVAGE 2+

BEST SELLER

- Unique hybrid technology formula
- Designed to withstand the hardest of environments
- Does not allow moisture to travel and lift paint when its damaged
- Passed ASTMB117 Test for over 4000 hours

3.78L | CTN2 MAN4198A (BS 10201608)

### MEGA FIX IT

- Irritant free two-part compound in single stick format
- Carries NSF Type 61 approval for application with drinking water
- Initial hard cure in around 5-10 minutes with functional strength in one hour

CTN6 MAN12056973

### X-RUST 7

- Neutral pH rust and tarnish remover
- Effective on various metals including carbon steel, mild steel and cast iron
- Works at room temperature to remove rust without manual scrubbing

5L | CTN4 MAN12056972

### MEND-CON

- Quick curing concrete patching and anchoring compound
- Forms a permanent strong bond and becomes part of the structure
- Dries in 15-20 minutes for foot traffic

23kg MAN4784

### CHELADE (RUST ADJUST)

BEST SELLER

- Polymeric rust converter and primer
- Stabilises and envelopes rust, converting into a paint-able surface
- Offers an extended shelf life so it can be stored up to one year and still work effectively

950ml | CTN6 MAN4045 (BS 10091701)

## WORK AT BLUESCOPE?

## DUST SUPPRESSION

### KAPTURE® DS500-QD

QUICK DISSOLVE DUST SUPPRESSION BLOCK

- Quick dissolve formula
- Ideal choice for use in water trucks, tankers or sprinklers
- Dissolves in approx. 20 minutes
- Apply two blocks per 1,000L of water
- Measures approx. H188xD50mm, weighs 500g

EACH DS500-QD (ORDER IN CTN15)

### KAPTURE® DA500

DRILL ASSIST BLOCK

- Designed for use in overburden drill systems
- Enhancing drilling process
- Water retaining agents binds soil to assist in collaring of the drill hole
- Reduces fall back from cutting

EACH DA500 (ORDER IN CTN15)

### KAPTURE® DS500-PQD 🌿

BEST SELLER

PROBIOTIC QUICK DISSOLVE DUST SUPPRESSION BLOCK

- Quick dissolve formula
- Features probiotic ingredient
- Designed to target and digest harmful bacteria in settling ponds and waste water
- Results in cleaner waterways and lower environmental impact

EACH DS500-PQD (ORDER IN CTN15)

### KAPTURE® DS500-SD

SLOW DISSOLVE DUST SUPPRESSION

- Designed for canister dispensers used in mining and civil industries
- Slowly dissolves over an entire shift
- Down stream water supply contains the dust suppression ensuring workers remain protected

EACH DS500-SD (ORDER IN CTN15)

### KAPTURE® POWDER DUST SUPPRESSION DS500-PSP (POLYMER)

A QUICK DISSOLVE DUST SUPPRESSION BAG WITH ADDED POLYMER

- Designed for the mining industry, effective across all sectors.

DS500-PSP/15

### KAPTURE® POWDER DUST SUPPRESSION DS500-PS

A QUICK DISSOLVE DUST SUPPRESSION BAG

- Designed for the mining industry, effective across all sectors.

DS500-PS/15

### KAPTURE® CANISTER

The Kapture® Canister is an engineered solution that is specifically designed for installation into water supply lines. It allows for the storage and continuous replacement of up to four 1" Kapture® Dust Suppression Blocks at a time without disrupting the flow of water downstream.

KAPD1

### KAPTURE® 2" CANISTER

The Kapture® Canister is an engineered solution that is specifically designed for installation into water supply lines. It allows for the storage and continuous replacement of up to four Kapture® Dust Suppression Blocks at a time without disrupting the flow of water downstream.

KAPDISP2

### KAPTURE® IBC SPRAY SYSTEM

The Kapture® IBC Spray System allows for the storage and distribution of dust suppression to large areas. In addition, it holds 1000L and takes 2 Kapture® DS500-QD Dust Suppression Blocks for the correct amount of surfactant.

KAP1000SB

### KAPTURE® DUST GUN

The Kapture® Dust Gun is designed to wet down dusty work sites in remote areas and remote roadways. Its use is ideal for areas where conventional water carts or suppression systems cannot access.

KAPGUN

- Hygienic one-at-a-time dispensing
- Help reduce the risk of contamination between users
- Viewing window feature to see when a refill is needed
- Refills: KC4456, KC4457

KC70250

### TCA INTERLEAVED TOWEL DISPENSER

- Ideal for rest rooms with limited space

### DISPENSER COMPACT & ULTRASLIM TOWEL

- Designed to fit compactly into tight spaces that traditional dispensers cannot.

TPPWUSPD

### SLIMLINE TOWEL DISPENSER

TPPWSLPD

### CENTREFEED TOWEL DISPENSER

- Allows easy and fast access to towels. Ideal for areas that require easy access like service stations, care facilities and commercial kitchens. Low maintenance, space-saving, and providing excellent hygiene – these dispensers are high capacity and can hold up to 300m roll.
- Refills: TPPWCFB-6

TPPWCFPD

### T1740-TBK COUNTER MOUNT

- Compact, ideal for spaces where wall mount dispensers are not an option
- One sheet at a time is dispensed, making it more hygienic and cost effective
- Easy to load with a refill level indicator at a glance
- Available in White
- Fits 32000 Paper Towel

EST1740-TBK

### ROLL TOWEL DISPENSER

TPPWRTD

# A HEALTHY DECISION FOR PEOPLE, PLACES AND THE ENVIRONMENT.

Refillable bulk soap dispensers are messy, labour intensive and susceptible to bacterial contamination. GOJO® SANITARY SEALED™ Systems include spill-free, factory-sealed soap cartridges that snap in place, and each comes with a fresh nozzle. No mess. No contamination risk.

- Reduced labour time and replacement costs
- Protects against the risk of bacterial contamination
- Aesthetically appealing to support a clean washroom image

PURELL® Hand Sanitiser kills 99.99% of most common germs that can make you sick. We offer the germ-killing power of PURELL® products in several different formats and dispensing options, so you can promote well-being throughout your facility.

**Only 1.1mL** required for an efficacious dose

## CROCKERY

Tablekraft introduces a new generation of quality, brilliant white porcelain - Core White. Multi-faceted, with an excess of 80 pieces, Tablekraft Core presents a perfect tabletop solution, relevant across all establishments from traditional to contemporary dining, buffet and banqueting. Manufactured with the finest raw materials and high-fired at 1350°C, Core White is incredibly strong, wear & thermal shock resistant, and oven, microwave & dishwasher safe. The high-grade alumina formula reinforces the porcelain, reducing breakage in any commercial setting. Let Tablekraft Core white tell your story.

## TBC North Queensland

In response to the growing demand for our services in the Northern Queensland region, we are excited to announce the opening of our newest branch in Cairns. With this expansion, we are able to better serve our clients in the area and provide them with the top-notch service and expertise that our company is known for. Our team in NQ lead by Hannah Mann is dedicated to meeting the needs of our clients and exceeding their expectations. We look forward to building strong relationships and making a positive impact in the community.

## Sapphire Coast Cleaning

Located in Bega, Sapphire Coast Cleaning Supplies is a local cleaning supply company servicing the south coast of NSW. They are an authorised reseller for TBC Distribution and are dedicated to providing quality products and local service.

### DISCLAIMER:

Information was correct at time of printing. Printed February 2025.

Whilst every attempt has been made to ensure the accuracy of the product descriptions and product images in this catalogue, manufacturing changes may result in product variations such as colour and sizing.

TBC Distribution reserves the right to change, replace or discontinue any product in this catalogue without prior notice and will not be held responsible for any error omissions.

No part of this catalogue may be copied, reproduced, scanned or stored in any electronic database without the consent of TBC Distribution.

This catalogue should be read in conjunction with TBC Distribution's shipping and returns policy available on request or on the website, [www.tbcdistribution.com.au](http://www.tbcdistribution.com.au). Items listed in this catalogue are located in multiple warehouses in NSW, ACT, QLD & NTH QLD. As such, items may need to be transferred between warehouses to fulfill order which may result in delays on usual shipping schedule.

\*Terms and conditions apply to qualify for free delivery.
